

The Exploited, Police Shit

Police lie on oath
It happens all the time
15 years for the guildford four
Innocent people sent them off to jail
You could be next
Cant trust the police at all
Can't trust the police at all
Police shit
Walking down the high street
With a friend of mine
Got stopped by the police
They asked us where we're from
I wouldn't tell him
Told him to go and get stuffed
He radioed for backup
Then they locked us up
