

# The Exploited, Rival Leaders

The countdown has started to go  
Computers are locked on their foes  
The president is on his way  
Down to live another day  
10-9-8-7-6-5-4-3-2-1  
Here we go  
The fail safety mechanism is off  
The baby lies sleeping in its cot  
The mother reads her magazine  
Her son's in the kitchen eating ice cream  
10-9-8-7-6-5-4-3-2-1  
Here we go  
The 4 minutes warning starts to go  
Soon you'll be dead you'll never know  
It's started to lift off its pad  
It's on its way isn't that sad  
10-9-8-7-6-5-4-3-2-1  
Here we go  
The countdown has started to go  
Computers are locked on their foes  
Thatcher is on her way  
Down to the bunker for another day
