Sid shot dope and then got drunk
he did it his way "punk"
he didn't have a problem
till he met that bloody cunt
Sid Vicious was innocent (repeat 4 times)
they say he killed her it can't be so

innocent, innocent, innocent, innocent
it's not his fault that she died
he liked his chick fried
now his face is on my shirt
we won't forget his famous smirk
innocent, innocent, innocent, innocent!!
