

# The Exploited, Treat You Like Shit

Monday morning you've got to sign on  
Down the dole the queue is long  
Just like zombies you wait your turn  
The more you declare the less you get  
BUT THEY TREAT YOU LIKE SHIT [x2]  
Join the army and end up dead  
Join the navy travel far  
Be a cop and grass your mates  
Looking for a job is just a farce  
Looking for a job but they treat you like shit [x4]  
You giro hasn't come surprise surprise  
Walking in the rain to the dole you go  
They'll keep you all morning so have a seat  
They will give you a shout when they have finished  
[repat verses 1&2]
