

The Fall, Cruiser's Creek

Bill Grundy's intro:

I have never seen five thousand yobbos in my life
I promise you I'm only going to speak to you now
For a few seconds
But a bit later I'm going to tell you
About how I made the fortune of punk rock
Since I think that music starts with Johann Sebastian Bach
And ends with Franz Schubert
You're going to have to listen a bit later
About my interview on television
The first they'd ever had
Bad language
See you later
Enjoy yourselves
