

The Fall, Guide Me Soft

William!
Glorious repression
Articulate, immaculate, glorious
Revolution

Coast to coast
Lord guide me soft
From coast to coast
God guide me soft
I come for your goods
I come for your goods
Pray guide me soft
Pray guide me soft
Coast to coast
Lord guide me soft
Coast to coast
God guide me soft

I come for your goods
I come for your goods
Pray guide me soft

From coast to coast
Lord guide me soft
From coast to coast
Lord guide me soft
