

The Fall, Muzorewi's Daughter

Get that spot, put it in the pot for me
Cos I'm Muzorewi's daughter
I'm Muzorewi's daughter
I'm Muzorewi's daughter
I'm Muzorewi's daughter

I was Muzorewi's daughter
I've been in the pot too long
Too hot in the pot too long
I'm Muzorewi's daughter
Muzorewi's daughter
(African call love)
(Genteel laws love)
I'm Muzorewi's daughter

Left wing hot properties
Out of the closet and sheet
Arose Muzorewi's daughter
I'm Muzorewi's daughter
I'm Muzorewi's daughter
I'm Muzorewi's daughter

I'm Muzorewi's daughter
I'm Muzorewi's daughter

The trees are reeds with evil seeds for me
Cos' I'm Muzorewi's daughter
I'm Muzorewi's daughter
I'm Muzorewi's daughter
I'm Muzorewi's daughter
I'm Muzorewi's daughter

(African call love)
(Genteel laws love)
I'm Muzorewi's daughter
(I blow a wall) love
I'm Muzorewi's daughter
I'm Muzorewi's daughter

I'm too long in the pot
I'm too long in the mouth
I'm too long in the pot
I'm too long in the nips
I'm too long in the tits
I'm too long in the mitts

I'm Muzorewi's daughter
I'm Muzorewi's daughter
I'm Muzorewi's daughter
I'm Muzorewi's daughter
Muzorewi's daughter
Muzorewi's daughter
