

# The Fall, Repetition

Right noise.  
We're gonna get real speedy  
You gotta wear black all the time  
You're gonna make it on your own.

Cos we dig  
Cos we dig  
We dig  
We dig repetition  
We dig repetition  
We've repetition in the music  
And we're never going to lose it.

All you daughters and sons  
who are sick of fancy music  
We dig repetition  
Repetition on the drums  
and we're never going to lose it.

This is the three R's  
The three R's:  
Repetition, Repetition, Repetition

Oh mental hospitals  
Oh mental hospitals  
They put electrodes in your brain  
And you're never the same  
You don't dig repetition  
You don't love repetition

Repetition in the music and we're never going to lose it

President Carter loves repetition  
Chairman Mao he dug repetition

Repetition in China  
Repetition in America  
Repetition in West Germany  
Simultaneous suicides

We dig it, we dig it,  
we dig it, we dig it

Repetition, repetition, repetition  
Repetition, repetition, Regal Zonophone

There is no hesitation  
This is your situation  
Continue a blank generation  
Blank generation  
Same old blank generation  
Groovy blank generation  
Swinging blank generation

Repetition, repetition, repetition....
