The Fall, That Man

That man loves you That man cares for you That man loves a heathen That man loves you

He came down from Accrington He came down from Hovis land

And

He washed the dirt from my eyes All devils are exorcised And sticky pants are ostracised Sermons with trad jazz guys

Screaming

That man loves you That man cares for you That man loves a heathen That man loves you

You see, can't be holy All you see can't be holy All you see can't be holy (backing vocals) That man loves you He really do
