

# The Features, Harder To Ignore

You might think I'm crazy  
You might even think I'm out of my mind  
Oh, my knees are shakin'  
And my heart is achin' all of the time

One thing's for certain  
One thing's for sure  
This feeling's stronger than it's ever been before  
It's getting harder to ignore  
Harder to...

I can't help that I'm dependent  
And I want you here with all of my might  
Oh, temptation's calling  
I can hear it from my window tonight

I'm not for certain  
I'm not for sure  
But I think your pants are tighter than they were the day before  
It's getting harder to ignore  
Harder to ignore  
It's getting harder to ignore  
Harder to...

I used to think I understood  
The difference between bad and good  
That's before I ever knew  
Someone could love me like you do

So what's the trouble you might ask  
Cloudy days are in the past  
I'd like to think there's truth in that  
But sunny days, they never last

It's getting harder to ignore  
Harder to ignore  
It's getting harder to ignore  
It's getting harder to ignore
