

# The Features, Some Way Some How

I know its hard on you  
When your world has changed  
Forget the map that you knew  
Because its been rearranged

Oh, oh, don't you cry  
Oh, oh, don't worry 'cause

No need to be alone  
I'll never let you down  
I'll keep you safe from harm  
Some way some how

I get the feeling you knew  
Just how hard it would be  
Sometimes a good point of view  
Is not so easy to see

Oh, oh, don't you cry  
Oh, oh, don't worry 'cause

No need to be alone  
I'll never let you down  
I'll keep you safe from harm  
Some way some how

Know you can count on me  
I'll always be around  
Give anything you need  
Some way some how

I think I know where you've been  
When situations arrive  
So when it happens again  
I'll be the one, I'll be around by your side

Oh, oh, don't you cry  
Oh, oh, don't worry 'cause

No need to be alone  
I'll never let you down  
I'll keep you safe from harm  
Some way some how

Know you can count on me  
I'll always be around  
Give anything you need  
Some way some how  
Some way some how
