

The Feeling, Sewn

Give me the song and I'll sing it like I mean it
Give me the words and I'll say them like I mean it

'Cos you got my heart in a headlock
You stopped the blood, made my head soft
And god knows
You've got me sewn

Nah nah nah x8

Danny boy, don't be afraid, to shake that ass, and misbehave
Danny boy, I know you got time, but what are you waiting for,
Anyway the dust may just blow away, if you wait for a windy day
But you may find, the chance has passed you by

I can't do the walk
I can't do the talk
I can't be your friend
Unless I pretend

So give me the song and I'll sing it like I mean it
So give me the words and I'll say them like I mean it

'Cos you've got my heart in a headlock
You stopped the blood, made my head soft
And god knows
You've got me sewn

Nah nah nah x8

Danny boy, don't be a fool, take upon to break a rule
Danny boy, you're looking so low, you're looking like the dead grown old
Anyway the blues may just wash away, if you wait for a rainy day
But you may find, the chance had passed you by

I can't do the walk
I can't do the talk
I can't be your friend
Unless I pretend

So give me the song and I'll sing it like I mean it
Give me the words and I'll say them like I mean it

'Cos you got my heart in a headlock
You stopped the blood and made my head soft
You've got my heart in a headlock
You stopped the blood and made my head soft
made my head soft
made my head soft
made my head soft
made my head soft
Yeah, yeah, yeah
oh Yeah, yeah, yeah
