

The Fifth Dimension, Last Night I Didn't Get To Sleep

Last night I didn't get to sleep at all, no, no
I lay awake and watched until the mornin' light
Washed away the darkness of the lonely night (lonely night)

Oh, and last night I got to thinkin' maybe I, I, I
Should call you up and just forget my foolish pride
I heard your number ringin', I went cold inside
And last night I didn't get to sleep at all

I know it's not my fault, I did my best
God knows this heart of mine could use a rest
But more and more I find the dreams I left behind
Are somehow too real to replace (to replace)

Oh, last night I didn't get to sleep at all, no, no
The sleeping pill I took was just a waste of time
I couldn't close my eyes 'cause you were on my mind
And last night I didn't get to sleep, didn't get to sleep
No, I didn't get to sleep at all

But more and more I find the dreams I left behind
Are somehow too real to replace (to replace)

Oh-oh-oh last night I didn't get to sleep at all no, no
The sleeping pill I took was just a waste of time
I couldn't close my eyes 'cause you were on my mind
And last night I didn't get to sleep, didn't get to sleep
No, I didn't get to sleep at all at all

No, no, no (No, no, no)

Last night I didn't get to sleep at all, no, no
Last night I didn't get to sleep at all (oh, oh)
