

The Flying Tigers, I Got Away

Don't wanna hear it
Don't wanna care
Don't wanna fear it
Don't wanna share
Don't wanna fake it
Don't wanna need
Don't wanna make it
Don't wanna bleed

You might mean everything to me

But I got away
I got away
I got away
I got away

Don't wanna claim you
Don't wanna need
Don't wanna drain you
Don't wanna breed
Don't wanna know you
Don't wanna see
Don't wanna show you
Don't wanna dream

You might mean everything to me

But I got away
I got away
I got away
I got away

You might mean everything to me

But I got away
I got away
I got away
I got away

Don't wanna hear it- I got away
Don't wanna care- I got away
Don't wanna hear it- I got away
Don't wanna care- I got away
Don't wanna hear it- I got away
Don't wanna care- I got away
Don't wanna hear it
I got away
