

The Flys, Got You (Where I Want You)

Hey what's the point of this
Oh hey what's your favorite song
Maybe we could hum along

Well..

I think you're smart
You sweet thing
Tell me your name
I'm dying here

Ooh got you where I want you...yeah
Ooh got you where I want you...yeah

Hey maybe just a smile
Oh hey did you know that I can't dance
Could we talk for a while

Well
I think you're smart
You sweet thing
Tell me your sign
I'm dying here and I...

Ooh got you where I want you
Ooh got you where I want you
Where I want you
I want you

Suffer suffer
It don't get no rougher
Rub it up baby girl
Torture me like no other
Suffer suffer
It don't get no rougher
When you rock me baby
Put your thing on me lover
(Repeat)

I think you're smart
You sweet thing
Tell me your name
I'm dying here and I...

Ooh got you where I want you...yeah
you where I want you
yeah
I got you where I want you
yeah
Got you where I want you
Want you, want you, yeah

Got you where I want you.
