

The Flys, She's So Huge

so it's you
at my door
she is huge
she wore a taller man's height or more
if it fails me
then it's love for sure

cause i'm here cause i want to be
and i gotta be
and i'll stay
and i gotta be with you

i'm your food
am i cake?
i'll have another plate of attitude

if it fails me
then it's love for sure
cause i'm here
cause i want to be
and i gotta be
and i'll stay
cause i want to stay
and i got to stay
and i'm here
cause i wanna be
and i gotta be with you

she's so huge
she's so cool
so damn sweet
her perfume's cheaper than her eyes are blue

but i'm here
cause i wanna be
and i gotta be
and i'll stay
cause i wanna stay
and i got to stay
and i'm here
cause i wanna be
and i gotta be with you

she's so huge

she's so huge

she's so huge
