

# The Four Lads, Somebody Loves Me

When this world began, it was Heaven's plan  
There should be a girl for every single man

To my great regret someone has upset  
Heaven's pretty program for we've never met  
I'm clutching at straws just because I may meet him yet

Somebody loves me, I wonder who, I wonder who he can be  
Somebody loves me, I wish I knew who he can be worries me

For every boy who passes me I shout  
"Hey, maybe you were meant to be my loving baby"  
Somebody loves me, I wonder who, maybe it's you

For every boy who passes me I shout  
"Hey, maybe you were meant to be my loving baby"  
Somebody loves me, I wonder who, maybe it's you
