

The Four Tops, It's The Same Old Song

You're sweet as a honeybee
But like a honeybee stings
You've gone and left my heart in pain
All you left is our favorite song
The one we danced to all night long
It used to bring sweet memories
Of a tender love that used to be

Now it's the same old song
But with a different meaning since you been gone
It's the same, same old song
But with a different meaning since you been gone

Ah, oh a sentimental fool am I
To hear a old love song
And wanna cry
But the melody keeps haunting me
Reminding me how in love we used to be
Keep hearing the part that used to touch our hearts
Staying together forever
Darling, breaking up never

It's the same old song, can't bear to hear it
But with a different meaning since you been gone
(Oh, it hurts to hear it)
It's the same old song
But with a different meaning since you been gone

Precious memories keep a lingering on
Every time I hear our favorite song
Now you've gone
Left this emptiness
I only reminisce the happiness we spent
We used to dance to the music
Make romance to the music

Now, it's the same old song
But with a different meaning since you been gone
Now, it's the same old song
But with a different meaning since you been gone
I, oh I
Can't bear to hear it
It's the same old song
But with a different meaning since you been gone
(Ooo, it breaks me up to hear it)
It's the same old song
But with a different meaning since you been gone
