## The Fray, The Great Beyond

I've watched the stars fall silent from your eyes All the sights that I have seen I can't believe that I believed I wished That you could see There's a new planet in the solar system There is nothing up my sleeve

I'm pushing an elephant up the stairs I'm tossing up punchlines that were never there Over my shoulder a piano falls Crashing to the ground

And all this talk of time
Talk is fine
And I don't want to stay around
Why can't we pantomime, just close our eyes
And sleep sweet dreams
Being here with wings on our feet

I'm pushing an elephant up the stairs I'm tossing up punchlines that were never there Over my shoulder a piano falls Crashing to the ground

I'm breaking through I'm bending spoons I'm keeping flowers in full bloom I'm looking for answers from the great beyond

I want the hummingbirds, the dancing bears Sweetest dreams of you Look into the stars Look into the moon
