

The Fray, Where You Want To

You move my mind to you
my thoughts distracted by your face
you move my mind to you
memories filled when I'm with you
there's no need to wait, no need to wait
go where you want to, where you want to
go where you want to, take me there with you
you walked right in my sight, that's why I invite to follow you
I'm dreaming of you, dreaming of me, dreaming of you today
there's no need to wait, no need to wait
come in close to me, come in close
