

# The Friday Night Boys, You Do, You Don't

The first time I won't regret  
One look into your eyes and I'll never forget  
You're not about to jump right into this, tonight  
I'm wondering just what to do  
Every single second in the room with you  
I can't talk this over  
To win you over here, tonight  
So open your eyes  
Don't say goodnight  
I'm wondering why  
Alone tonight  
I'll just let it go for you  
I'm letting you down  
You are just hiding it so well  
You're giving me no sign, no interest  
Oh you don't really want this  
You don't really want this  
Right now  
Are you gonna try to save yourself?  
I bet you're so sick of hearing it  
Oh you don't really want this  
You don't really want this now  
So hard to get, is that what it's gonna be?  
Sitting down not even looking at me  
I hope forever  
I don't remember this, tonight  
So out the door, gone away  
Running so fast through the pouring rain  
Gone forever  
So much better here, tonight  
So open your eyes  
Don't say goodnight  
I'm wondering why  
Alone tonight  
I'll just let it go for you  
I'm letting you down  
You are just hiding it so well  
You're giving me no sign, no interest  
Oh you don't really want this  
You don't really want this  
Right now  
Are you gonna try to save yourself?  
I bet you're so sick of hearing it  
Oh you don't really want this  
You don't really want this now  
I'd throw it all away for you  
If you took another look you'd be back so soon  
All alone, dark cold night  
Wrapped around, you better hold on tight  
Down  
You are just hiding it so well  
You're giving me no sign, no interest  
Oh you don't really want this  
So right now  
Are you gonna try to save yourself?  
I bet you're so sick of hearing it  
Oh you don't really want this  
I'm letting you down  
You are just hiding it so well  
You're giving me no sign, no interest  
Oh you don't really want this  
You don't really want this  
Right now  
Are you gonna try to save yourself?

I bet you're so sick of hearing it  
Oh you don't really want this
