

The GazettE, Agony

You said to me so. [Please love until dying ...]
For what do you hope to me ? Is it the hopeless last scene ?
Answer..., I don't want to die.
DA DON VIDIVI DA DON AGAIN VIDIVI DA DON
The scream of insomnia. Is the next my turn ?
What is the lethal weapon ?
Oh shit ! It was done too much. Pardon me..., Don't come near me.
Did you really love me heartily ? Can you really call that love ?
Answer..., I don't want to die.
DA DON VIDIVI DA DON again DA DON WIDIVI DA DON
The scream of insomnia. Is the next my turn ?
Lethal weapon is lip. Your affection rape me.
Let's sing to you again.
This is the last copulation.
Why can't you understand it ?
Can't you hear my shout ?
Again..., Until hate goes away.
Don't touch me ! Don't touch heart ! Don't show that face !
I don't want to die
This is the last copulation.
Why can't you understand it ?
Can't you hear my shout ?
Again..., Until hate goes away.
Don't touch me ! Don't touch heart ! Don't show that face !
I don't want to die.
