[Life is a broken game, this is a broken game]

Nandemo wa te matsui, so you said.

Let's send a gallows into the scene which you hope for
(Look what have you promised me, all those stupid things)

Ima na mienai yo koe shiezu no kotsu

Tatoesete wa tsuzukeru wake yuke

Ubutsu wasenu tame wo sou e kizoku

Can you hear the counting song of pain, baby?

(I wanna escape now, baby)

Nani utsuru kotaere wa meteku

(I wanna escape to you, baby)

Can you hear the counting song of pain, baby?

(I wanna escape, rescue me)

Kuroki hi wa ima mo waseru mama

I've lost you, you've left me, loneliness

Someday, can't get back to you

Can't stop crawling back!

You are the same as nothing, misaseru

Let's send a gallows into the scene which you hope for
(Look what have you promised me, all those stupid things)

Ima na mienai yo koe shiezu no kotsu

Tatoesete wa tsuzukeru wake yuke

Ubutsu wasenu tame wo sou e kizoku

Can you hear the counting song of pain, baby?
