

The GazettE, Maximum Impulse

GANGANGAN furueru GANGANGAN kodou ga

The impulse and dream of teens
To run until the body breaks
Do not stop...
It consents with the reckless thing
However, I continue wanting
To ran until I die...
Feeling is lost little by little
Surely singing even becomes impossible
Feeling is lost little by little
I am gazing at the heavenly direction
ashita ga moshi naku natte mo koukai nante shinai sa
takusan no suteki na takaramono wo te ni iretanda kara
