

The Georgia Satellites, Hard Luck Boy

(Dan Baird)

Just a hard luck boy from a hard luck town
hard luck story that's goin' around
you can make a fool wear a crown
prop him up but he falls back down
fall back down

Everytime I stick out my heart it just
gets stepped on
well it feels like I've been ???
I don't need to look over my shoulder
to see what's coming
It's a dark cloud it belongs to me

just a hard luck boy from a hard luck town
hard luck story that's goin' around
you can make a fool wear a crown
prop him up but he falls back down

everytime I roll the dice they come up box cars
it feels just like I've been snakebit since day one
???? smile on my face ???

(repeat chorus twice)
