

The Georgia Satellites, My Fault

Take me like you find me don't try to change me
You know better than that
Take me like you see don't try to change me
I ain't used to that
Turn it up loud I'm a bum in the crowd
If I've got something to say
ain't nothing that can stop me
I can't let it

Say I'm just a fool, well that's alright
I don't wanna change nobody
Say I'm just a fool, yeah that's alright
I don't wanna change noone.

If I have to crawl down on my hands every night of the week
It's gonna be my fault and noone else
