The Getaway Plan, Where the city meets the sea

If I've learnt anything from this,

It would all be gone, it would all be gone

And I'll take away your breath.

Just to turn me on, yeah you turn me on.

Cause' down where the city meets the sea

I sit and daylight speaks to me

She carries me away

Oh yeah...

I'll find my way

Would fall from grace

With the little piece of you that's left in me

But then it's 1,2,3 and you're back to me,

And all the pieces fit together oh so perfectly

Enough to take me home

Just take me home...

If I've learnt anything from this,

It would all be gone, it would all be gone

And I'll take away your breath.

Just to turn me on, yeah you turn me on.

We'll find our way

We'll leave this place

With the little piece of me that's left in you

But then it's 1,2,3 and you're back to me

And if you hear me loud and clear then what's the problem dear?

Why won't you take me home?

If I've learnt anything from this,

It would all be gone, it would all be gone

And I'll take away your breath.

Just to turn me on, yeah you turn me on.

Down where the city meets the sea

I sit and daylight speaks to me

She carries me away...

Just take me home

Why won't you take me home?

If I've learnt anything from this,

It would all be gone, it would all be gone

And I'll take away your breath.

Just to turn me on, yeah you turn me on.

Down where the city meets the sea

I sit and daylight speaks to me

She carries me away...

Cause' down where the city meets the sea

I sit and daylight speaks to me

Yeah, daylight speaks to me...
