

# The Glorious Unseen, Your Promises Still Remain

The veil's ripped away  
We have communion

Hallelujah, Hallelujah

Broken away  
The chains that restrained me

Hallelujah, Hallelujah

With tears streaming down my face  
I will praise you

Hallelujah, Hallelujah

Show your glory, fill this place  
Father, Teacher, God of Grace

When my sorrow turns to praise

Show your glory, Lord  
Show your glory, Lord

Your promises still remain  
Despite my imperfection

Hallelujah, Hallelujah  
Hallelujah, Hallelujah  
Hallelujah, Hallelujah

Hallelujah, Hallelujah
