

The Go-Go's, Beatnik Beach

Dance to the poetry
It's gonna be just you and me
We'll groove on that groovy beat
It'll be boss keen neat yeah

The gang they'll all be there
Join the fun and don't be a square
We'll lipsync a go-go
Just like the Lloyd Thaxton show yeah

CHORUS
Beatnik Beach
It's really neat
Limbo down
Hit the ground

Put on your paisleys
Put on your black beret too
Join all us beatniks
Nothing better could happen to you yeah

CHORUS
