

# The Go-Go's, Fading Fast

You thought that I was on your side  
And I'd do anything for you  
But you found out yesterday  
That you were wrong  
I opened up the door  
I said we were through

Now you're calling me  
You want me back again  
But I've just got to turn my head  
And start to pretend

I've never seen you  
You're someone I don't know  
Are you just another boy  
That I met long ago

You had me all to yourself  
I thought that you were such a prize  
I finally came to my senses  
When I heard just one too many lies

You can talk about old times  
They don't mean a thing to me  
You're fading fast  
Out of my memory
