The Go-Go's, Get Up And Go

If you get up and walk away Leave the past behind Go ahead and take a ride No telling what you'll find

The words you say don't mean a thing They fly right by my eyes Look in the mirror don't look at me Maybe then you'll realize

CHORUS
So get up and go
If you're so tired of moving slow
Go
If you're so tired of moving slow
Go
Get up and go

I was on the inside Looking out for you But you're the one to make the change There's nothing I can do

Now's the time for you to move Actions shout out loud So cut the talk and move your feet Cuz words get lost in crowds

Quit talking Start walking now Quit talking Start walking now

CHORUS
