

# The Go-Go's, Good Girl

I'm going be a good girl  
So everybody loves me  
I'm gonna do what they say  
Let them chose the games that we play

Good girl, good girl  
Gonna be a good girl  
Good dog, good girl  
Gonna be a good girl

I'm gonna smile til it hurts  
So everybody loves me  
I'll bend over backwards  
Swallow all my angry words

Good girl, good girl  
Better be a good girl  
Good dog, good girl  
Gonna be a good girl

Good girl, good girl  
Better be a good girl  
Good dog, good girl  
Gonna be a good girl

All I want is for everyone to love me  
All I want is for everyone to love me

I'll get down on my knees  
I'll say pretty pretty pretty please

Good girl, good girl  
Better be a good girl  
Good dog, good girl  
Gonna be a good girl

Good girl, good girl  
Better be a good girl  
Good dog, good girl  
Gonna be a good girl

Good girl, good girl  
Better be a good girl  
Good dog, good girl  
Gonna be a good girl
