

# The Go! Team, Grip Like A Vice

Sophisticated queen M.C.  
Yes of course that's me, mistress of ceremony  
The one that's gonna take it to the top of the key  
Introducing myself: M.C. Lisa Lee

The blast from the past, superb in every word  
Soupest female rapper, yes the best you heard  
Lisa Lee is known to to be the people's choice  
I get parties rocking with my sensuous voice

And when you see the queen walking up the street  
I'm not souped up, conceited, just incognit'  
I make the fellas sweat cuz I keep their bodies hot  
It's a woman's world, you got to give it what you got

Well I'm Sha, party people, and I'm ready to rock  
And if you wanna be down, you gotta gimme what you got  
My fellas in the place, I won't steer you wrong  
You gotta give it up or le-leave it alone

So get ready for this  
Get ready for this  
Party people in the place, get ready for this  
To you!  
So what you wanna do?  
So do you wanna rock the house and turn this mutha out?

Fly girls, are you with us?  
And if you're ready to rock, to help me turn it out  
Fly girls, are you with us?  
And if the world know what we're talkin' about

To all the ladies (yeah!) I want you to listen  
Hey, ladies! (yeah!) 1980!  
Watch out for the fellas (yeah!) that'll drive you crazy  
Look out, ladies! (yeah!)  
And if the world know what we're talkin' about
