

The Go! Team, Panther Dash

(Ready, ready?)

I heard a knock at the door
It's mama calling my name
She said get up off the floor
I heard her going insane
She said your friend's on the phone
I said to her, can it wait?
But then she started to moan
No time, cos I'm running late
x2

Nobody's ever gonna,
I do just what I wanna
I'm bad and I'm not sorry
And you will never stop me
x2

No you will never stop me
x2

.....

Nobody's ever gonna
