

The Goo Goo Dolls, Before It's Too Late

I wander through fiction to look for the truth
Buried beneath all the lies
And I stood at a distance
To feel who you are
Hiding myself in your eyes

And hold on
Before it's too late
Until we leave this behind
Don't fall
Just be who you are
It's all that we need in our lives

And the risk that might break you
Is the one that would save
A life you don't live is still lost
So stand on the edge with me
Hold back your fear and see
Nothing is real till it's gone

And hold on
Before it's too late
Until we leave this behind
Don't fall
Just be who you are
It's all that we need in our lives

So live like you mean it
Love till you feel it
It's all that we need in our lives
So stand on the edge with me
Hold back your fear and see
Nothing is real till it's gone

Hold on
Before it's too late
Until we leave this behind
Don't fall
Just be who you are
It's all that we need in our lives

And hold on
Before it's too late
Until we leave this behind
Don't fall
Just be who you are
It's all that we need in our lives
It's all that we need in our lives
It's all that I need in my life
