

# The Goo Goo Dolls, Broadway

Broadway is dark tonight  
A little bit weaker than you used to be  
Broadway is dark tonight  
See the young man sittin' in the old man's bar  
Waitin' for his turn to die

The cowboy kills the rock star  
And Friday night's gone too far  
The dim light hides the years  
On all the faded girls

Forgotten but not gone  
You drink it off your mind  
You talk about the world  
Like it's someplace that you've been

You see you'd love to run home  
But you know you ain't got one  
Cause you're livin' in a world that  
You're best forgotten, around here

Broadway is dark tonight  
A little bit weaker than you used to be  
Broadway is dark tonight  
See the young man sittin' in the old man's bar  
Waitin' for his turn to die

You choke down all your anger  
Forget your only son  
You pray to statues when you sober up for fun  
Your anger don't impress me  
The world's laughed in your face  
It always rains like hell on the loser's day parade

You see you'd love to run home  
But you know ain't got one  
Cause you're livin' in a world  
That you're best forgotten  
When you're thinkin' of a joke  
Ain't nobody gonna listen  
To the one small point  
I know they've been missin' round here

Broadway is dark tonight  
A little bit weaker than you used to be  
Broadway is dark tonight  
See the young man sittin' in the old man's bar  
Waitin' for his turn to die

You see you'd love to run home  
But you know ain't got one  
Cause you're livin' in a world  
That you're best forgotten  
When you're thinkin' of a joke  
Ain't nobody gonna listen  
To the one small point  
I know they've been missin' round here

Broadway is dark tonight  
A little bit weaker than you used to be
