

# The Goo Goo Dolls, I'm Addicted

Walking round this dirty town  
Drinking up till we fall down  
Don't want to live forever this way  
But it's gonna have to do for today  
I'm addicted as I want to be

Waiting for their hurried call  
I got my back against the wall  
Don't want to be shown  
Go out and learn your own  
I'm addicted as I want to be

Waiting for their hurried call  
Got my back against the wall  
Don't want to be shown  
Go out and learn your own  
I'm addicted as I want to be
