The Goo Goo Dolls, I'm Addicted

Walking round this dirty town Drinking up till we fall down Don't want to live forever this way But it's gonna have to do for today I'm addicted as I want to be

Waiting for their hurried call I got my back against the wall Don't wait to be shown Go out and learn your own I'm addicted as I want to be

Waiting for their hurried call Got my back against the wall Don't want to be shown Go out and learn your own I'm addicted as I want to be
