

# The Goo Goo Dolls, Slave Girl

Let me tell you 'bout a girl I know  
I drag her around wherever I go  
this little woman drives me insane  
she's tied to my ankle with a ball chain  
For sixteen years she's been hangin around  
trying to bury me in a hole in the ground  
well I think it's time that I even the score  
there's only room for one in this cage of yours  
Don't save me when I'm startin to drown  
Don't use me when you don't want me around  
Just be my slave girl cuz it's all I need  
So take a little step back to the stone age with me  
Well I hear a strange noise as I lie in my bed  
I feel a lotta water drippin on my head

I look around try to see through my hair  
you left me alone but do you think I care  
Cause you moved me when I was taking my time  
You abuse me when I'm outta line  
You tried to warn me of the danger signs...  
So watch out!  
GO!  
you got me in the bondage of another rage  
you drive me to distraction in a primitive way  
I can't control my instincts when I hear her say  
"Just come along and see me if you lose your way"  
So join my chain gang play along with me  
I'll be your caveman as basic as can be  
I'm not insane man I'm just out of my tree
