

# The Goo Goo Dolls, Sunshine Of Your Love

It's getting near dawn  
When lights close their tired eyes  
I'll soon be with you my love  
To give you my dawn surprise  
I'll stay with you darling soon  
I'll stay with you till the seeds are dried up

I've been waiting so long  
To be where I'm going  
In the sunshine of your love

Be with me my love  
The light's shining through on you  
Be with me my love  
It's the morning and just we two  
I'll stay with you darling soon  
I'll stay with you till the seeds are dried up

I've been waiting so long  
To be where I'm going  
In the sunshine of your love

Be with me my love  
The light's shining through on you  
Be with me my love  
It's the morning and just we two  
I'll stay with you darling soon  
Oh, till the seeds are dried up

I've been waiting so long  
To be where I'm going  
In the sunshine of your love
