

The Grateful Dead, Turn On Your Lovelight (Live)

with out a warning, you broke my heart
taken it baby, torn it apart
and you left me standing, in the dark, cryin'
said your love, for me was dyin'
so come on baby, baby please
and im beggin' you baby
and im on my knees
turn on your light, let it shine on me
turn on your love light, let it shine on me
hey! let it shine, let it shine, let it..

well i get a little lonley, in the middle of the night
and i need you darlin', to make things alright
so come on babe, baby please
and im beggin' you babe, yeah im on my knees
turn on your light, let it shine on me
turn on your love light, let it shine on me
hey! let it shine, let it shine, let it..

with out a warning, you broke my heart
taken it baby, torn it apart
and you left me standin', in the dark, cryin'
said your love for me was dyin'

turn on your light, let it shine on me
