

# The Guess Who, Coming Down Off The Money Bag

Been playin' in a band for 99 years  
Been doin' these tunes just to please your ears  
Follow the changes, there are but three  
They can change, you know, any way you please  
Now take this tune I'm pickin' away  
The way I pick is what I say  
But ev'ry once in a while it becomes a drag  
So I come down off the money bag
