

The Guess Who, Don't You Want Me

Don't you want me
Don't you want me
Baby, listen 'deed I do

Tell me lovin' things and the sounds I crave
Never let the chance roll by
But you'll be hanging from a Sycamore tree
If you're dancin' with another guy

Well, don't you want me
Don't you want me
Baby, listen 'deed I do

I'll kill your kid sister, I'll murder your dad
I'll rip the lashes off your eye,
I'll slaughter all your cattle and I'll burn your crops
If you're dancin' with another guy.

Don't you want me
Don't you want me
Baby, listen 'deed I do
