

# The Guess Who, Goin' A Little Crazy

Goin' a little crazy ain't too bad  
These are times I've never had  
Rarely good but often sad  
Never knowing what we've had  
Where's it all goin'  
It's all goin' a little crazy

It is really afternoon  
Please don't shine on harvest moon  
Oh my God it's much too soon  
How long have we played this tune  
Where's it all goin'  
It's all goin' a little crazy

Ha, ha, ha, I'm a roadie  
And I'm proud to be one, folks

I can give but not receive  
I can love and still deceive  
There are those who soon would grieve  
So I cannot take my leave  
And where's it all goin'  
It's all goin' a little crazy

How far away is the bin  
Sneeze
