

# The Hellcopters, Didn't Stop Us

They can't say what state we're in  
They can't blame on what (song) we spin  
'Cause it's fucked-up business scene  
Where they want everything to be so clean yeah!

Well, I don't mind the pain  
For the companies golden rain  
'Cause we know how to do  
And we don't care 'bout you!

Tick tack tick tack BOOM!  
There's a bomb inside your room  
And it's just about to explode in your face  
By then we've won the go-go race

Well, I don't mind the pain  
For the companies golden rain  
'Cause we know how to do  
And we don't care 'bout you!

They didn't stop us  
They can't stop us  
They didn't stop us  
Never never never never never oh no

Oh yeah!

Well, I don't mind the pain  
For the companies golden rain  
'Cause we know how to do  
And we don't care 'bout you!

They didn't stop us  
They can't stop us  
They didn't stop us  
Never never never never never oh no no no!
