

# The Hellacopters, You Are Nothin'

You are nothin'  
I'm for real  
You see I'm rockin'  
'Cuz the devil's got a deal  
Ain't got no time left  
But I've got Shiva on my right  
You're in deep shit baby  
While I'm in the limelight

Action rockin' man born & bred  
And I've got asteroids bouncin' round in my head  
We're talkin' clichs baby I know it's true  
You just can't stand I'm not one bit like you

I keep on runnin'  
You're standin' still  
Yeah I move my ass  
To get kicks & dirt cheap thrills  
Your lips are movin'  
But I can't hear you say  
Yeah you hit the ditch  
And I hit the highway
