

# The Highwaymen, Silver Stallion

"Kris Kristofferson:"

I'm gonna steal a silver stallion,  
With not a mark upon his silky hide  
Teach him he can trust me like a brother,  
One day we'll saddle up and ride

"All together, Johnny Cash lead:"

And we're gonna ride, we're gonna ride  
Ride like the one eyed jack of diamonds  
With the devil close behind  
We're gonna ride

"Waylon Jennings:"

I'm gonna find me a reckless woman,  
Razor blades and dice in her eyes  
Just a touch of sadness in her fingers,  
Thunder and lightening in her thighs

"All together, Johnny Cash lead:"

And we're gonna ride, we're gonna ride  
Ride like the one eyed jack of diamonds  
With the devil close behind  
We're gonna ride

"Willie Nelson:"

I'm gonna chase the sky forever,  
With the woman and the stallion and the wind  
The sun is gonna burn into a cinder,  
Before we ever pass this way again

"All together, Johnny Cash lead:"

And we're gonna ride, we're gonna ride  
Ride like the one eyed jack of diamonds  
With the devil close behind  
We're gonna ride
