

The Hitman, Like I Love You

(do you love me?)

Like i love you.

You can hurt me, with your smile.

(do you love me?)

Like i love you.

With you smile, you can hurt me.

Set me free.

You can hurt me.

Open your eyes.

I want you so much.

Do you love me?

Do you love me?

Open your eyes.

Just look at me.

I want you so much.

Do you love me?

Do you love me?
