

# The Hives, I'm A Wicked One

They say it's off the record, got to keep it clean  
Can't be too abusive, be too obscene  
But he's got a plan to build a future  
He's been putting it off for way too long  
Another safety pin put though his cheek  
And he's three chords short of a punk rock song

(Chorus:)

Wicked is as wicked does  
He'll fight it 'till the end  
He'll show his finger then say: I'm a wicked one (X3)  
I'M A WICKED ONE!

He's a stereotype bastard and he likes it that way  
Can't be all that happy, can't be all that gay

(Chorus)

They say get off the stage, they say get outta here  
Can't be all that punk rock, can't be all that queer  
He'll make them wish they never knew him  
He'll make them pay for being wrong  
But he doesn't really know how to do that  
So we'll give him three chords to his punk rock song

(Chorus)
