

The Hives, Inspection Wise 1999

Do you know the secret hand shake?
You best use it
Here they come with ringing ears
Social misfits
Someone's got to go
Just thought you should know
And so it has to be
The one who held the key

Check the time T minus 5
And you're still looking
Too good to be true
So what's your secret?
Someone has got to go
Just thought you should know
And so it has to be
The one who held the key

And so it has to be
The one who held the key
